PERSONAL PROFILE

I consider myself as a highly motivated and hardworking individual who has developed a mature and responsible approach to any task that I undertake. I've been working for over 21 years with web technologies and design, and I'm looking forward to starting new projects that represent a challenge for me while meeting your goals and vision. I'm a team player and I truly believe we all have gifts. My goal is to keep on growing as a programmer and designer, getting into new technologies as much as I can and to keep on growing as a positive person.

WORK EXPERIENCE

CO FOUNDER AND WEB PROGRAMMER / FREELANCER

2024/this day. McCartney Interactive - www.maccai.com
Co-founder in this startup dedicated to the creation of conceptual websites and web apps, e-commerce, Shopify and businnes analysis.

BUSINESS ANALYST II (PRO)

2021/2023. VMWare - www.vmware.com
In this important company I identified and analyzed problems to bring solutions and improvements to their massive intranet. Also designing and developing specific web pages, quality assurance (QA), trainer, video editing and Cerkl Platform Specialist

PRODUCT MANAGER (Design/UX/UI/Front-end developer)

2020. Arkkosoft - www.arkkosoft.com
I was subcontracted to take care of two large projects for the Ministry of Finance of the Government of Costa Rica. I was in charge of designing, structuring and assembling the entire front-end of both platforms, included the UX/UI. I was also in charge of all the meetings with the client (about 10 people). Finally, I built two unique Wordpress themes using PHP, JS & CSS adjusted to the design. Both projects were approved in the stipulated time.

COMMUNITY AND CONTENT MANAGER

2019. Oveja Negra Producciones.
Social network management for the IPACC platform of the Faculty of Social Sciences, FLACSO. Conceptual content development/design for the CANAVI. Community Manager for the launch of the new Master's Degree in Hydrological Management at the University of Costa Rica

FREELANCE / HRI Foundation (Development/design/analysis)

2017/2019. hungerreliefinternational.org
For almost three years I traveled/studied through Europe and America. While doing so I had several projects. I worked mainly with the foundation Hunger Relief International (USA), analyzing and optimizing all their web resources which were in bad conditions. I also developed small websites, as well as advertising design. During 2019 I worked (Management/UX/UI) in Mexico with some colleagues and investors in a project to develop a massive App that due to the pandemic had to be stopped.

FOUNDER/DIRECTOR (Design/Development)

Short Project Oct. 2013 – May 2014. CirculoDelMiedo Web Magazine
I created this conceptual web magazine to showcase new talent as well as places and stories in Costa Rica. I am proud to have guided and worked with an amazing team in this successfuland beautiful project.
